LAST FOOTBALL OF THE SEASON

Tomorrow at 3 p. m. the Mailes and the H. A. C. will play the last football game of the season. This promises to be one of the hardest fought contests that has ever taken place in Honolulu and those who pay their 25 cents to witness this contest will certainly get their money's worth. The last time these two teams struggled for supremacy the Mailes came off victorious by the small margin of five to nothing. The H. A. C. boys worked the ball close to the goal line but were held at the five-yard line. This time the H. A. C. will "do or die." They are going in to win. The Mailes are confident that they will carry off the honors.

Being a holiday the league is looking forward to a huge crowd. They have made the usual preparations to accommodate the spectators and will have chairs close to the side lines so all can see.

The two teams will have their strongest men in the field so that they can hold their own.

Following is the positions and the way the men will face one another: Mailes—Buckle, c.; Chilton, l.g.; Ellis, r.g.; Coulter, l.t.; Jarrett, r.t.; Fernandez, l.e.; Freeth, r.e.; Clark, q.; Plunkett, l.h.; Heilbron, r.h.; Venhuizen, f.

H. A. C.—Kaubane, c.; McDuffie, r.g.; Houghtaling, l.g.; Tilton, r.t.; Keawe, l.t.; Jarrett, r.e.; Ensue, l.e.; Almsda, q.; Sullivan, r.h.; Gleason, l.h.; Joy, f.

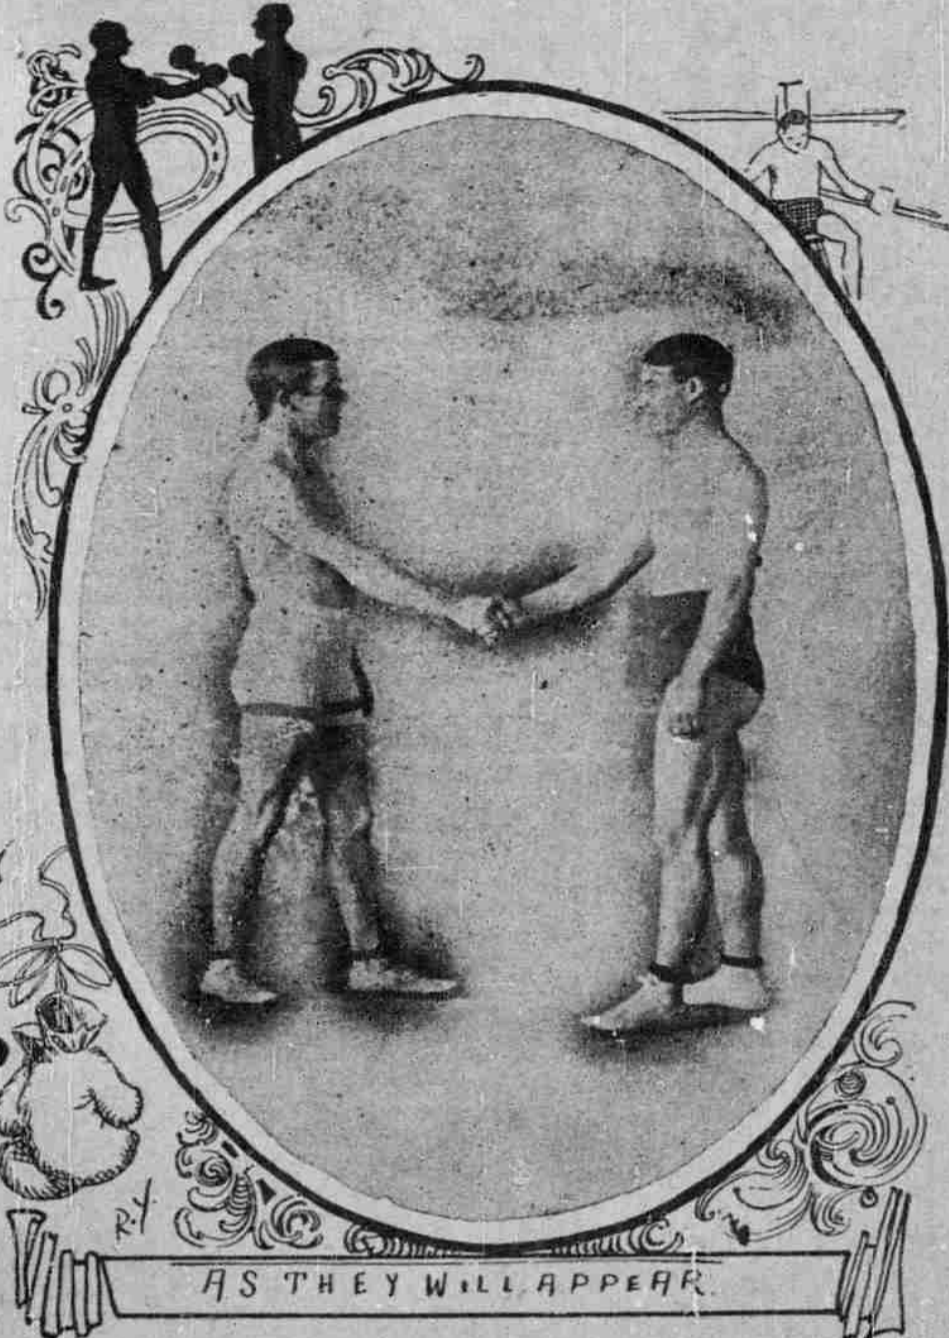

Golf at Haleiwa.

MEN, COME TO ME!

If you don't feel right I can cure you with my Electric Belt. If you are weak, I can make you strong. If you are full of rheumatic pains, I can knock them out. I can pour oil into your joints and limber them up. I have often said that pain and electricity can't live in the same house, and I prove it every day.

Mr. Geo. M. Curtis, Livingston, Cal., writes: I suffered from very severe lumbago. Plasters and medicine afforded no relief. After using your Belt for nine days my pains were gone and I have been free from suffering ever since.

One thing every man ought to know is this: Your body is a machine. Run by the steam in your blood and nerves. When you begin to break down in any way you are out of steam. That's just what I want to give you back.

Mr. John O'Brien, 1453 Fifth st., Oakland, Cal., writes: I suffered from very severe lumbago. Plasters and medicine afforded no relief. After using your Belt for nine days my pains were gone and I have been free from suffering ever since.

I have a cure in every town. Tell me where you live and I'll give you the name of a man I've cured. I'll tell you honestly whether I can cure you or not. If I can't cure you, I don't want your money. I have been in this business twenty-two years, and am the biggest man in it to-day by long odds. I am growing yet, because I give every man all he pays for. Now, wouldn't you rather wear my life-saving appliance while you suffer every night and feel its glowing warmth pouring into you, and feel itself taking on a new lease of life with each application, than to clog your intestines up with a lot of nauseous drugs? Surely. Try me. I'll send my book, full of the things a man finds inspiring to strength and courage. Free if you send this ad.

Modlin and has made him fast on his feet. Modlin had little or no trouble in making the weight and says that he can box at 128 lbs. Modlin's work has been watched with interest amongst the local sports and he has become quite a favorite. He has proven that he has all the qualities necessary to make a champion and all he lacks is experience.

McFadden has a record that any fighter might be proud of. In 31 battles he has suffered but one defeat. Following is his record to date: 1901—Frank Herrin, draw four rounds; Geo. Healy, won four rounds; Tony Pastine, won four rounds; Kid Egan, K. O. two rounds; Dick Warren, won four rounds; Billy Shonebine, draw four rounds; Jim Daly, won four rounds. 1902—Geo. O'Brien, K. O. one round; Tony Snailham, draw five rounds; Joe Hill, won four rounds; Kid Parker, draw four rounds; Tony Lewis, K. O. two rounds; Joe Hill, draw four rounds; Jockey Bennett, lost four rounds; Geo. White, K. O. two rounds; Jockey Bennett, draw six rounds; Mickey Walsh, K. O. two rounds; Jack McDonald, K. O. eight rounds. 1903—Joe Sullivan, draw ten rounds; Bobby Johnson, draw ten rounds; Jim Connelley, K. O. three rounds; Dave Puckharber, K. O. ten rounds; Soldier Kelley, draw ten rounds; Soldier Loftner, K. O. four rounds; Tom Salmon, K. O. two rounds; Eddie Tate, foul, four rounds; Eddie Tate, draw ten rounds. 1904—Kid Hatterway, K. O. ten rounds; Tangle McGovern, K. O. three rounds; Joe Castro, K. O. five rounds; S. Kupa, no decision, four rounds.

There is more interest centered in tomorrow night's contests than any fights that have ever been held in Honolulu. The advice sale of seats surpasses anything that has ever been held in this city. It goes to show that when clean, square fights are to be pulled off the sports are willing to dig the price.

ASSOCIATION FOOTBALL NEXT

The Association Football League this season will be composed of three strong teams, the Punahou, Mailes and Iolani, having all entered the field, and owing to the fact that the Pacific have withdrawn, these teams, by taking the Pacific's players, will line up stronger.

The league has made arrangements to play all their games on the baseball grounds, where they will have all the facilities of seating the spectators. Maki lot, where the games were played last year, was found too small. An admission fee of 25 cents will be charged to witness the games. The money will be divided among the different teams to defray expenses.

Although the game is most popular among the English and Scotch, there are many of the native and American lads entering in the spirit, and there was some very good talent developed last year among the latter.

Mr. J. W. Waldron, an old hand at the game, and one of the prime promoters in Honolulu, will act as referee at all the games, and with him at the helm good, clean, hard ball can be looked for. C. B. Morse and E. G. Munn, who have both retired from actual play, will in all probability act as linesmen. They both understand the game thoroughly and can be depended upon to give good decisions.

The officers of the league are as follows: President, D. W. Anderson; vice president, R. Anderson; secretary, A. A. Catton; manager, J. C. Anderson; treasurer, J. H. Catton.

The colors of the various teams will be: Iolani, light blue; Punahou, gold and buff; Mailes green and gold.

The following schedule has been arranged:

January 14—Iolani vs. Punahou.
